This is a PREACHING AND TEACHING conference focused on the Biblical principles that apply to music. It is primarily aimed at the Pastor and all Music Ministry Leadership.

One pastor in attendance commented: "I am beginning to understand what is different about this music conference. It is not presented by musicians who have an appreciation for preaching, but rather it is presented by preachers who have knowledge and skill in music."

### WHO SHOULD ATTEND?

The best case scenario is that both the pastor and the music director attend.

### PASTORS

Pastors attending the Leadership Conference are educated and equipped to better understand and administrate an effective church music ministry. They learn what the Pastor's role ought to be with regards to the music program and staff.

Helpful sessions for Pastors include: How to Lead Your Music Director, How to Develop YOUR OWN Philosophy of Music, Pastoral Leadership in the Music Ministry.

### MUSIC DIRECTORS

Music Directors attending the Leadership Conference will gain a deeper understanding of the practical objectives for music in the local church. Experienced instructors who are leading great music ministries share a wealth of knowledge and ideas to enhance the practical knowledge of those leading the music ministry.

### PRACTICAL SESSIONS INCLUDE

How to Help Your Pastor

How to Prepare for an Effective Choir Rehearsal

The most common music-ministry problem in Bible-preaching churches is a **lack of leadership**. Many pastors are uncertain how to lead their people to the inspiring vibrant music that “sets the table” for great preaching services. Music Directors (staff and volunteers alike) are often mired in a method or mind-set that is just no longer working effectively.

“Thank you for the opportunity to host the Bible Truth Music Conference. Many of our folks here at Shawnee Baptist Church and many delegates that attended told me it was the most refreshing meeting they had attended in years.

The music was Christ honoring and uplifting. The instruction was superb. I believe that every delegate left realizing they had received more in knowledge and practical help than they had expected.

Your staff and speakers were accessible and helpful to everyone. It was a delightful experience I trust that we can do it again in the near future.”

—**Dr. Lonnie Mattingly, Pastor**  
**Shawnee Baptist Church, Louisville, KY**  
(Host Pastor for the 2009 BTM National Conference)

## SCHEDULE

Wednesday (February 10) evening, all day Thursday and all day Friday (February 11, 12)—A full schedule of preaching, teaching and practical workshops touching on every area of the music ministry.

“The Lord has used Brother Foxx to encourage me in the work that I do to help my Pastor. I wholeheartedly recommend that all those involved in church music attend the National Meeting. What a precious time for friends to encourage one another in the Lord’s work!”

—**Greg Gray, Pastoral Staff**  
**Temple Baptist Church, Knoxville, TN**

“Finally, a music company that understands the local church, honors the leadership of the pastor, while producing quality music that pleases the Lord. Fundamentalism has found a musical home in Bible Truth Music.”

—**Dr. R. B. Ouellette, Pastor**  
**First Baptist Church, Bridgeport, MI**
