We are so thankful and excited about all the ways God has allowed us to provide quality music to churches, homes, and Christian schools. Our goal remains to honor the Lord by producing exciting music with Biblical content that can be an effective tool for Bible-preaching, evangelistic churches.

As the good Lord has allowed us to grow we are now able to offer an even wider variety of quality products for your music ministry. Here are some special "get-to-know-us" offers to help you learn more about BTM.
